PROGRAM OBJECTIVE

The Miami-Dade Arts Support (MAS) Grants Program utilizes resources from the federal Coronavirus Relief Fund (CRF) to help provide relief to arts and cultural businesses impacted by the Coronavirus (COVID-19). The Miami-Dade County Board of County Commissioners and Mayor have approved $10 million of CRF resources to fund the three components of MAS: Category A – Organizations with Pre-established Grant awards; Category B - Organizations without Pre-established Grant awards; and Artists Support grants – addressed through separate guidelines, available in the MAS Action Center. MAS grants will be provided to Miami-Dade-based arts and cultural businesses that have had to cease operations, lay off employees or whose operations and programming have been severely diminished due to locally mandated closure orders. All grants are subject to the availability of funds.

FUNDING REQUESTS

CATEGORY A - Organizations with Pre-established Grant Awards
Cultural organizations in this category have been notified by the Department of Cultural Affairs of a pre-established maximum grant award amount for which each organization is eligible to apply. These grant award amounts are based proportionately on FY 2019-2020 Department of Cultural Affairs grant awards, direct support provided by the County to cultural institutions, and a limited number of other theaters identified as impacted by COVID-19. Arts organizations under this Category A may submit applications for the use of the CRF dollars up to the maximum amount of available funds established for their organization. Submitted requests must meet the requirements for eligible expenses for CRF uses as outlined in the ELIGIBLE USES section of these guidelines; AND provide evidence that the submitted expenses are reasonably consistent with organizations’ prior financial records.

Organizations that have FY 2019-2020 grants from the Department’s Community Grants and/or Tourist Development Council grants programs can apply for eligible expenses in Category B.

CATEGORY B - Organizations without Pre-established Grant Awards
Cultural organizations, arts groups, and artists collectives without a pre-established operating grant award from the Miami-Dade County Department of Cultural Affairs for FY 2019-2020 may be eligible to apply for CRF support from the Coronavirus Grants Program. Applicants to this category must adhere to the same eligibility criteria and requirements of Category A. Organizations in Category B may apply for eligible expenses and CRF uses as outlined in the ELIGIBLE USES section of these guidelines.

MAXIMUM REQUEST – CATEGORY B

To determine the maximum request, organizations whose primary mission is to produce or present arts programs should refer to their total annual operating budget. Organizations whose primary mission is NOT cultural, should refer to their annual program budget strictly for their arts-related activities.
Funding requests will be reviewed on a case-by-case basis to confirm that they meet the requirements for eligible expenses for CRF uses as outlined in the ELIGIBLE USES section of these guidelines AND provide evidence that submitted expenses are reasonably consistent with organizations’ prior financial records. Grants are subject to availability of funds.
