PROGRAM OBJECTIVE

Funded by Miami-Dade County, the Artists Professional Development Program is an ongoing series of independent workshops and retreats designed to deliver skill-building opportunities to diverse communities of artists who originate works (composers, playwrights, film-makers, visual artists, choreographers, etc.) and to those who execute work (actors, dancers, and musicians). The goal of the program is to provide artists with the tools to organize, plan, and sustain their creative careers.

The series aims to help artists:

- ◇ break patterns of crisis management and increase satisfaction in your art practices and careers;
- ◇ identify, acquire, and build skills needed to reach goals with individual projects and/or career objectives; and
- ◇ communicate clearly and effectively about your work.

Artists Help Each Other

The workshops / retreats are co-led by professional consultants and trained Artist Leaders so that you may benefit from the consultants' considerable experience in their fields, as well as the artists' personal perspectives and experiences, in the belief that artists are often the best resource for each other. The workshops and retreats encourage opportunities for group and individual interaction.

To determine which workshop and/or retreat best suits your needs, contact the Program Administrator to schedule a consultation (a phone consultation is **required** in order to proceed with an application).

WORKSHOP/RETREAT PROGRAM SCHEDULE

Workshops and retreats will take place at various times throughout the year. These opportunities will be announced via the Department's newsletter *News to Use* and posted on the Artists Professional Development (APD) Program information at www.miamidadearts.org / ARTISTS / GRANTS as they become available.
