An architectural rendering of a modern multi-story building at night. The building features a light blue facade with numerous windows and balconies, some of which are illuminated from within. A prominent feature is a series of balconies with bright orange-red interiors. The ground floor has large glass windows and a sign that reads "GALLERY 4". In the foreground, there is a paved walkway, a small boat-shaped structure, and some trees. The overall scene is lit with a mix of warm interior lights and cool exterior lighting.
