

ARTIST ACCESS - FREQUENTLY ASKED QUESTIONS

Who does Artist Access support?

Artist Access supports artistic professional development opportunities presented by individual artists working in the fields of visual arts, dance, drama, music, literary and media arts. Artist Access does not fund organizations or arts presenters, nor curators, producers, artist ensembles/collectives or students.

What professional development opportunities are eligible?

Artistic professional development opportunities include:

- Virtual professional development opportunities (paid in advance)
- Travel-related professional development opportunities (only for Spring/Summer and TBD on February 2021)
- Studio and space rental (paid in advance)

When should I apply?

Applications must be received for the cycles corresponding to the dates of the professional development opportunity. Please refer to the FUNDING PERIOD in the DEADLINES section of these guidelines. There are two (2) deadlines annually. If an artist applies in the Fall/Winter cycle and is not recommended for funding, the artist may re-apply in the Spring/Summer cycle for a new opportunity.

SPRING/SUMMER (Opportunities between April 1 - September 30, 2021) have an application deadline of March 15, 2021

2. Artist studio rental and space rental expenses to allow artists to continue with their practice. These expenses must fall within the application cycle dates and artists must explain the need for funding providing as much detail as possible. Artist must submit copy of lease agreement, quotes and other documents that substantiate space/studio rental expenses.
3. Equipment purchase artists need to continue advancing their careers including computers, tablets, sound/film/photography equipment, projectors, computer software, hard drives, video cards, music instruments and other equipment needed to continue advancing the artist's practice.

The Artist Access award may not exceed \$1,500 and will be determined by the panel. Any remaining, uncovered expenses are the artist's responsibility.

How does the equipment purchase category work? At the time of the application, artists provide quotes and/or links showing the cost of the equipment. Once selected artists receive an award notification, artists move forward with the purchase with their own funds. Artists will be paid the award amount upon submission of their proof of purchase. Purchase dates must fall within the application cycle.
