**Date:** May 17, 2023  
**To:** Members  
Cultural Affairs Council  
**From:** Michael Spring   
Director  
**Subject:** FY 2023-2024 Miami Individual Artist (MIA) Grant Program Recommendations

---

## **RECOMMENDATION**

It is recommended that the Council approve the funding of 309 artist grants for a total of \$1,500,000.00 from the FY 2023-2024 Miami Individual Artist (MIA) Grant Program.

## **BACKGROUND**

In FY 2021-2022, the Department of Cultural Affairs applied for and received full funding of \$500,000.00 from the National Endowment for the Arts (NEA) to launch the Miami Individual Artists Program, one of 66 communities selected nationally for this major federal grant award. The NEA funded this one-time grant opportunity with American Rescue Plan (ARP) funding and supported the Department's application in response to the quality, diversity and need evidenced for support of professional working artists based in Miami-Dade County. Following the success of the MIA Program, the County established a grant program to recognize and support the contributions to the fundamental vitality and creativity of the cultural community being made by Miami-Dade's diverse and outstanding professional artists of all artistic disciplines.

MIA Grants Program applicants are required to be working professional artists which are defined as persons who have created a recognized body of work over a sustained period and pursue this work as a means of livelihood. In addition, applicants must provide proof of being a legal full-time resident of Miami-Dade County for at least one (1) year at the time of application and must have resided and worked in Miami-Dade County for at least one (1) year at the time of application.

The three hundred and nine (309) recommended artists were chosen by the discipline-based grant panel through a competitive process after reviewing five hundred and seventy-two (572) applications received from professional artists in the following artistic disciplines:

- Dance (dancers, choreographers, dance artists, etc.)
- Film/Video/Media Arts (computer/digital artists, etc.)
- Folk/Traditional Arts (artisans, ceramicists, etc.)
- Literary Arts (writers, poets, etc.)
- Music (composers, musicians, singers, etc.)
- Theater/Playwriting (playwrights, designers, actors, etc.)
- Visual Arts (artists, photographers, etc.)
- Multidisciplinary/Interdisciplinary

The MIA Grants Program Panel, consisting of twenty-one experts with expertise covering the seven (7) artistic disciplines and representing the diversity of Miami-Dade County, convened to review all the submissions in each of these areas and recommend finalists. The MIA Grants Program Panel carefully reviewed the applicants based on work samples and support materials submitted demonstrating artists' professional activities and accomplishments. The Panel used the following criteria to make their recommendations:

- Evidence of artist merit through an established and recognized body of work over a sustained period;
- Consistency in the submitted body of work; and

- Quality and scope of the artistic activities being pursued during the grant period (such as performances, presentations, exhibitions, workshops, research projects, and/or the creation of artwork).

The grant awards range from \$3,400.00 to \$10,000.00 based on the review and rating of the applications and represent the quality and diversity of artists living and working in Miami-Dade County. The Panel and the resulting artist recommendations exemplify the key principle of diversity, defined in the broadest possible sense, including gender, gender identity, race, ethnicity, national origin, disability, age, culture, socio-economic status, geographic background, faith/religion, sexual orientation, profession, and ability.

The list of recommended artists is attached to this memorandum.
