

David Lawrence Jr.

August 2, 2018

When I think of community treasures, two that come quickly to mind are:

- Joe Adler and GableStage.
- The Coconut Grove Playhouse.

We have an opportunity in our community to have both, via the proposed Grove Stage. It deserves to come to pass.

The approach is smart, practical, affordable, and respects the past and engages the future.

A large, stylized handwritten signature in black ink, which appears to read "David Lawrence Jr." and is written over the printed name below.
