Memorandum

Date: May 2, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: FY 2022-2023 Summer Arts & Science Camps for Kids Grant Award
Recommendations in Amount of \$900,000.00

Executive Summary

This item is requesting that the Board of County Commissioners (Board) approve the recommendations of the Summer Arts & Science Camps for Kids (SAS-C) Grants Program totaling \$900,000.00 for 35 applicants. The recommendations are made by the Summer Arts & Science Camps for Kids (SAS-C) Grants Panel and the Cultural Affairs Council (Council). The funds were allocated via the Fiscal Year 2022-2023 County Budget.

Recommendation

It is recommended that the Council approve the funding of 35 grants for a total of \$900,000.00 for the FY 2022-2023 Summer Arts & Science Camps for Kids (SAS-C) Grants Program. In addition, it is recommended that Resolution R-No. 130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board of County Commissioners) be waived in order to expedite the allocation of funding support for these time-sensitive youth arts programs.

Scope

The impact of this agenda item is countywide.

Delegation of Authority

In accordance with Section 2-8.3 of the Miami-Dade Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which includes authority for the Mayor and Mayor's designee to execute the grant agreements and exercise all provisions, including cancellation provisions contained therein.

Fiscal Impact/Funding Source

Funding for the FY 2022-2023 Summer Arts & Science Camps for Kids Grants Program is derived from funds granted to the Department from The Children's Trust (\$825,000) and funds from departmental proprietary revenues (\$75,000) and approved in the Department of Cultural Affairs FY 2022-2023 budget. All grant award recommendations are contingent upon approval by the Miami-Dade County Board of County Commissioners and Mayor and are subject to availability of funds. Grant payments will be made through INFORMS Department Code: CU02010000, Fund: S1031, Project: CU_GTS_SAS_C.

Track Record/Monitor

Each nonprofit cultural organization recommended for funding has a track record for responding to Department grant requirements and contractual conditions. Michael Spring, Director of the Miami-Dade County Department of Cultural Affairs, is responsible for monitoring the grant contracts.

Background

The SAS-C Grants Program was created as a joint initiative of the Miami-Dade County Department of Cultural Affairs and The Children's Trust. The objective of the SAS-C Grants Program is to allocate funding to nonprofit organizations that will provide underserved children in Miami-Dade County with opportunities to attend high quality cultural arts or science summer camp programs at little or no cost. Funding through the SAS-C Grants Program is intended to augment existing programs, providing more children with the opportunity to participate in cultural arts and science summer camps. Applicants to this program must have a minimum one-year track record of providing high quality arts or science summer camp programs for children and/or youth in Miami-Dade County.

The Panel specifically evaluated each applicant organization based on the following competitive review criteria: (1) impact, (2) artistic/scientific merit, (3) management capability, and (4) reach/priority considerations.

Priority attention for evaluating applications was given to:

- projects that addressed children whose ability to participate in such programs may be limited by geography, economics, or disability;
- projects in which unduplicated children underwritten by SAS-C funding will attend the camp program for four weeks or more; and
- projects offering expanded programs and/or capacity in order to reach a broader population of underserved children.

It is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board of County Commissioners) be waived. These grants recommendations are being submitted to the Board immediately subsequent to their thorough evaluation by the Cultural Affairs Council and while the Department of Cultural Affairs simultaneously issues grant agreements for execution by grantees, subject to the Board's approval of this agenda item. It is in the best interest of the County to waive Resolution No. R-130-06 and proceed in this manner in order to expedite grant allocations for time-sensitive youth arts programs. This "dual track" approach saves from one to two months of time in providing funding support to projects that have been evaluated through a thorough and already lengthy grants review process. As a safeguard, the Department negotiates the grant agreements by closely adhering to the descriptions of projects that are summarized in the list of grant projects attached to this

Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

memorandum to ensure that grant funds are used strictly for the activities that are listed in this memorandum and represented in the subsequent grant agreements.

Attached is a list describing the projects being recommended for funding.

The FY 2022-2023 SAS-C Grants Panel convened on February 23, 2023 and made these funding recommendations. The Cultural Affairs Council is scheduled to meet on March 15, 2023 to review the grant recommendations.

MIAMI-DADE COUNTY DEPARTMENT OF CULTURAL AFFAIRS
GENERAL TERMS AND CONDITIONS FOR SAS-C and YEP GRANTS (October, 2022) – ARTICLES II, III, IV and V

ARTICLE II

1. **Parties:** The parties to the Grant Award Agreement, which shall be referenced herein as the “Agreement,” are the Grantee listed in Article I.1, and Miami-Dade County, Florida, a political subdivision of the State of Florida. The Home Rule Charter authorizes Miami-Dade County to provide for the uniform health and welfare of the residents throughout the County, and further provides that all functions not otherwise specifically assigned to others under the Charter, shall be performed under the supervision of the County Mayor or their designee. The County Mayor has delegated the responsibility of administering this grant to the Director of the Miami-Dade County Department of Cultural Affairs, who shall be referred to herein as the “Director.”

2. **Amount and Payment of Grant Award:** The total amount of the grant is specified in Article I.2. By making this grant, Miami-Dade County assumes no obligation to provide financial support of any type whatever in excess of the total grant amount. Cost overruns are the sole responsibility of the Grantee. Grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments.

Miami-Dade County’s obligation to pay the award under the Agreement is contingent upon an appropriation by the Miami-Dade County Mayor and the Board of County Commissioners and on the availability of funds. In the event that County funds on which the Agreement is dependent do not materialize or are withdrawn, the Agreement is terminated and the County has no further liability to the Grantee, beyond that already incurred by the termination date. In the event of a County revenue shortfall, the total grant will be reduced accordingly. Such termination or reduction of the total grant shall not affect the responsibility of the Grantee under the Agreement as to those funds distributed.

3. **Project Description:** The Grantee may use the grant only for the purposes which are specifically described in Article I.3, designated “Project,” as documented in the Grantee’s program application and in accordance with the published guidelines of the grant program through which this grant is being awarded. Any necessary changes in the scope of the project are cited in the attached Restatement of Project Budget. Further, it is expressly understood and agreed that the Grantee’s program(s) supported by these grant funds must be open and accessible to the public, provide public exposure and benefit the public unless otherwise noted under Article V, “Special Conditions,” of the Agreement.

Amendments to this Agreement and/or project revisions believed to be necessary for the purpose of completing the project, but which do not increase the amount of the grant award or substantially alter the original project, its quality, impact, or benefit to the organization, the County or its citizens, must be submitted/requested in writing to the Director sufficiently prior to implementation of revisions for the Director’s execution (in the case of an amendment) or approval (in the case of a revision). Revisions include, but are not limited to those affecting project scope, venue, artistic selections, program titles, timeframe and participants and transition to virtual programs and/or other program delivery strategies. The Director will make the final determination on revisions within fourteen (14) business days of the date of receipt of the request in the Department of Cultural Affairs’ offices.

4. **Project Budget:** The Grantee agrees to demonstrate fiscal stability and the ability to administer grant funds responsibly and in accordance with standard accounting practices by developing and adhering to a project budget that is based upon reasonable revenue development and expenditures projected to accomplish the project covered under the Agreement. This budget is referenced in Article 1.4 and is attached to the Agreement as the Restatement of Project Budget, and the Grantee agrees that all expenditures will be subject to the terms of the Agreement and will not significantly deviate from the budget included as a part of the Grantee’s program application or funding request information provided to the Miami-Dade County Department of Cultural Affairs. **The Grantee agrees and expressly understands that any grant budget revisions including line-item changes necessary for the purpose of completing the project must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article I.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director will approve or disapprove the Grantee’s request in writing within fourteen (14) business days of the date of receipt of the request in the Department’s offices.

5. **Grant End Date:** The Grantee shall encumber all grant and matching funds on or before the Grant End Date as outlined in Article I.6. Any grant funds not encumbered by the Grant End Date or for which a project extension has not been requested, or any encumbered funds not expended within forty-five (45) days of the Grant End Date shall revert to the Department and the Agreement shall be terminated in accordance with Article II.14. A project extension may be requested in writing from the Director at least thirty (30) business days prior to the Grant End Date. The Director, at their discretion, may grant up to two (2) one (1) year extensions of the Grant End Date so long as such extensions will not significantly alter the project including its quality, impact, or benefit to the organization, the County or its citizens.

6. **Report Deadline:** To demonstrate that the Grantee has used the grant award for the project as approved (Article I.3.) and the Itemized Project Budget (Article I.4.) as attached to the Agreement as the Restatement of Project Budget, and has met and fulfilled all requirements as outlined in the Agreement, original application, and any other substantive materials as may be attached or included as a condition to this grant award, the Grantee must submit to the Director or their designee, a written Final Report documenting that the Grantee is meeting or has fulfilled all project and financial requirements. This report is to be received by the Director or their designee by the date specified in Article I.9. in the form specific to the program through which this grant is being awarded. **The Grantee agrees and expressly understands that in making Final Report to the Department, any deviation from the grant expense budget attached to the Agreement as the Restatement of Project Budget must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article I.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director, at their sole discretion, may require the Grantee to submit interim reports demonstrating progress on the project and accounting for project expenses to date. The Director may also require that a compilation statement or independent financial audit encompassing the entire grant period and accounting for the expenditure of grant funds be prepared by an independent certified public accountant at the expense of the Grantee.

Grantees of the Arts Education Initiatives, Cultural Advancement, Cultural Development, Festivals and Special Events, Hannibal Cox, Jr., Major Cultural Institutions and Youth Arts Miami grants programs shall submit an independent financial audit encompassing the grant period or financial statements encompassing the grant period or portion thereof prepared by an independent certified public accountant or corporate financial officer. If an audit or financial statements are not available, the Grantee shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. Grantees of the Developing Arts in Neighborhoods grant program with operating budgets of \$50,000 or more shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. The Director reserves the right to request original documentation to substantiate grant expenditures.

Grantees of the Community Grants, Developing Arts in Neighborhoods Grant Program with operating budgets of \$50,000 or less, International Cultural Partnerships, Summer Arts & Science Camps for Kids, and Youth Arts Enrichment Grant Programs shall attach to the Final Report copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated in the Restatement of Project Budget as grant award expenses. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and copies of canceled checks (front and rear) clearly designating payment for expenses associated with the event. Cash, money orders, and/or cashier's checks are not acceptable unless the Grantee demonstrates one of these methods of payment are the only forms of payment accepted by the vendor providing grant-related services and/or commodities. In those cases, the Grantee must provide a copy of a contract, invoice, receipt, or other documentation supporting such cash payment is received, marked "paid" and signed by the vendor. Documentation for credit card transactions must include a copy of the relevant monthly credit card statement highlighting the charge for the expense, and proof of remittance to the credit card issuing company confirming payment made and accepted for the expense incurred. Documentation for electronic peer-to-peer money transfer transactions must include a copy of the grantee's bank statement highlighting the charge for the expense and copies of service agreements, original bills, invoices, vouchers or receipts supporting the payment. The Director reserves the right to request original documentation to substantiate grant expenditures.

If the Grantee fails to submit the required Final Report by the deadline date specified in Article I.9., the Director may terminate the Agreement in accordance with Article II.14. Further, the Director or their designee must approve this report before the Grantee is deemed to have met all conditions of the grant award.

7. **Program Monitoring and Evaluation:** The Director or their designee may monitor and conduct an evaluation of the Grantee's operations and the project for which this grant is provided, which may include visits by County representatives to:

observe the project or Grantee's programs, procedures, and operations; discuss the Grantee's programs with the Grantee's personnel; and/or evaluate the public impact of these funded events and activities.

Upon request, the Grantee shall provide the Director with notice of all meetings of its Board of Directors or governing board, general activities, and project-related events. In the event the Director or their designee conclude, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of the Agreement, is not fulfilling other program requirements or stipulations for which this Grant has been provided or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of this grant award, the Director or their designee must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the project or fulfill the terms of the Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

Further, in the event that the Grantee refuses or is unable to address the areas of concern and the grant award has been disbursed in full or in part, then the Director may request the return of the full or partial grant payment. At the Director's sole discretion, a Grantee found to be deficient or in default of a previous grant contract may be declared permanently ineligible to apply to the Department of Cultural Affairs' grants programs. Reinstating the Grantee's eligibility to apply is also at the Director's sole discretion and may only be considered after all deficient areas on prior grants having been addressed to the satisfaction of the Director.

If Grantee is not in compliance with the conditions of any other County agreement, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

8. Bank Accounts: Monies received pursuant to the Agreement shall be kept in accounts in established Florida banks, credit unions or savings and loan associations whose identity shall be disclosed in writing, with the identity and title of individuals whom the Grantee authorizes to withdraw or write checks on grant funds from the banking institution identified on the "Bank Account Disclosure" form submitted by the Grantee. These accounts need not be accounts which are segregated from other accounts maintained by the Grantee. However, it is highly recommended that the Grantee maintain a separate account for these grant funds.

9. Accounting and Financial Review: The Grantee must keep accurate and complete books and records for all receipts and expenditures of this grant award and any matching funds required in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with this grant, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in Miami-Dade County in a secure place and in an orderly fashion by the Grantee for at least five (5) years after: the Grant End Date specified in Article I.6.; the expiration of an extended grant period as approved by the Director; the completion of a County requested or mandated audit or compliance review; the conclusion of a legal action involving the grant award, the Grantee and/or project or activities related to the grant award.

The Director or their designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the Director may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

10. Publicity and Credits: The Grantee must include the following credit line in all printed and electronic promotional and marketing materials related to this grant including websites, news and press releases, public service announcements, broadcast media, event programs, videos, and publications: **"With the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners."** For radio, television and/or online broadcast, we require the following voice-over language: **"This program is supported in part by the Miami-Dade County Department of Cultural Affairs."** For television and online broadcast, display of the County logo and the "www.miamidadearts.org" web address is required. The grantee must also use the County's logo in marketing and publicity materials, including but not limited to newsletters, press releases, brochures, fliers, websites, online content or any other materials for dissemination to the media or general public. The County logo is available at www.miamidadearts.org under Grantee

Resources. Grantees are required to credit the County's support in any communications about the grant-funded project on social media platforms using @MiamiDadeArts and #MiamiDadeArts.

By accepting County funds, the grantee is required to recognize and acknowledge Miami-Dade County's grant support in a manner commensurate with all contributors and sponsors of its activities at comparable dollar levels.

In addition, grantees receiving funds through the YEP, SAS-C and AKI grant programs must include The Children's Trust logo and the following statement in all printed and electronic materials related to the grant project, including but not limited to newsletters, press releases, brochures, fliers, websites, online content or any other materials for dissemination to the media or general public:

To download an electronic version of The Children's Trust logo, please go to: [The Children's Trust Media Kit & Logos](#).

Note: In cases where funding by The Children's Trust represents only a percentage of the grantee's overall funding, the above language can be altered to read "[Provider Program Name] is funded in part by The Children's Trust..."

11. Liability and Indemnification: It is expressly understood and intended that the Grantee, as the recipient of grant funds, is not an officer, employee or agent of Miami-Dade County, its Board of County Commissioners, its Mayor, the Department of Cultural Affairs or the Cultural Affairs Council. Further, for purposes of the Agreement and the grant project or activity, the parties hereto agree that the Grantee, its officers, agents and employees are independent contractors.

12. Assignment: The Grantee is not permitted to assign this grant award or any portion thereof. Any purported assignment will render this grant null and void and the Grantee shall be subject to immediate rescission of the full amount of the grant award and reimbursement by the Grantee of its full value to the County.

13. Compliance with Laws: It shall be a contractual obligation of the Grantee hereunder, that during the term of the Agreement, the Grantee agrees to abide by and be governed by all applicable federal, state and county laws and the terms of grants made to Miami-Dade County and the Miami-Dade County Department of Cultural Affairs and Cultural Affairs Council, of which this grant is a sub grant, including, but not limited to the following Miami-Dade County Ordinances, Resolutions, sections
